SUPUN AKALANKA

Web Designer & Developer

Profile

I am Supun Akalanka 21 years old, passionate about technology and innovation. Currently pursuing an HND in Computing (Software Engineering) at ESOF Metro Campus, I focus on building impactful web experiences that combine functionality with aesthetic design.

My expertise lies in front-end technologies like HTML, CSS, and JavaScript, with a strong foundation in frameworks like Laravel, Bootstrap, and React. I'm also learning back-end development and have knowledge of Python, PHP, C#, and C++. I have developed responsive and user-friendly websites, ensuring they meet business goals.

I hold a diploma in English, which I completed with merit, demonstrating my commitment to continuous learning and excellence.

Professional Experience

- Skilled in Git for Code management and collaboration using GitHub.
- Web Development combines with React.JS for Dynamic UI's and PHP for Backend functionality.
- Experienced in Figma for UI/UX Design and Prototyping.
